Skyhawks Beginning Golf

\$110

Beginning Golf programs will be offered separately for children aged 5- 8, and 9-11. For Beginning Golf, Skyhawks will be combining the SNAG Coaching System and equipment, with our flair for safe and fun sports instruction. **Location:** Evergreen Community Center Park**What is SNAG?** SNAG is the revolutionary new system for training beginning golfers using the most fun golf equipment around. SNAG has created an entirely new approach to learning golf, one that is fun, creative and educational. Instead of swinging and missing the traditional golf ball, our golfers will experience success by using larger, softer Snagballs that:

- Are safer;
- Are easier to hit;
- Significantly close the gap between the shots of the novice and the shots of an expert;
- Work in any environment (grass, dirt, pavement); and
- Stick to the Flagstick.

Instead of putting into belowground cups, beginning golfers will aim for the Flagstickys-three-dimensional, aboveground Velcro targets that retain the qualities of the traditional golf hole. Instead of parents investing in expensive golf clubs, Skyhawks will provide Launchers and Rollers designed with larger heads and greater hitting surfaces that:

- Make it easier to hit the ball while learning proper swing techniques; and allow for a wider variety of shots.

Skyhawks' goal is to build confidence while teaching proper technique and etiquette. Beginning Golf-don't putt it off another minute! Participant-to-coach ratio is approximately 8:1.

Beginning Golf participants must bring:

- T-shirt/shorts/sweats/socks (i.e., appropriate clothing)
- Two Snacks & Water Bottle
- Shoes (running shoes are fine)
- Sunscreen

Beginning Golf participants will receive:
